

Denys Blazhiievskyi

ABOUT ME

Hi, my name is Denis, and I'm from Ukraine. I'm a first-year Multimedia Design student at EASV. I enjoy working with design in Illustrator, InDesign, and Photoshop, creating visual content that is both creative and functional.

My goal is to develop my skills in graphic design and digital media, gaining experience in creating engaging visuals for different platforms. I'm always eager to learn new techniques and improve my creative approach.
